PLAYFORD MCAULEY OSHC

ABOUT PLAYFORD MCAULEY OSHC

Playford McAuley OSHC is committed to providing a safe, secure, friendly and homelike environment for all children. We are a service that is registered to participate in the Quality Assurance process which means you can be assured that that your child will receive care that is of the highest quality. Our OSHC service is managed by Catherine McAuley School in consultation with the Management Committee which comprises of representatives from both Playford and Catherine McAuley schools and parent representatives.

The service has dedicated Educators that have either formal qualifications in childcare or teaching or less formal training in the childcare field. As a team we are committed to the continual enhancement and improvement of our knowledge through ongoing professional development and training.

The future of Playford McAuley OSHC is to continue quality care for children, continually assess the services needs, upgrade/extend the service facilities so that we are able to offer care to all families of our growing school community.

ACTIVITIES FOR CHILDREN AT OSHC

Playford McAuley OSHC is able to access many of the Campus facilities including the playgrounds, sandpit, hardcourts and oval. This provides us with plenty of opportunities for activities within these areas. Activities that are offered to children everyday include homework, drawing, board games, home corner/dramatic play, outdoor areas and television or DVD viewing. Creative activities are programmed for children by children submitting their program requests and by our Educator team.

During Vacation Care all of our usual activities are on offer as well as Excursions to exciting venues and Speciality Days where interesting and fun people visit the service. The main focus of the activities at Playford McAuley OSHC is to enhance the development of children's skills in the areas of social, physical, cognitive and language.

PARENT PARTICIPATION AT OSHC

Parent participation is always welcomed. Our service is supported by a Management Committee that meets twice per term to discuss and make decisions on many of the day to day aspects of the service.

Participation by way of donations of dress-ups, craft items, box construction items or valuable time are also welcomed.
